

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicants: W.H. Raskind et al.

Attorney Docket No.: UWOTL121680

Application No.: 10/671,007

Filed: September 25, 2003

Title: METHODS FOR IDENTIFYING SUBJECTS SUSCEPTIBLE TO ATAXIC
NEUROLOGICAL DISEASE

INFORMATION DISCLOSURE STATEMENT

Seattle, Washington 98101

December 9, 2003

TO THE COMMISSIONER FOR PATENTS:

Applicants are aware of the information listed in the attached form that may be material to the prosecution of the above-identified patent application.

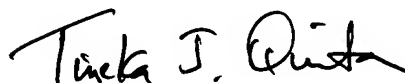

1. X Copies of the listed patents, publications, and other information are enclosed for the Examiner's use.
2. X Pursuant to 37 C.F.R. § 1.97(b), this Information Disclosure Statement is being filed within three months of the filing date of the national application (other than a CPA), within three months of the date of entry of the national stage as set forth in 37 C.F.R. § 1.491 in an international application, before the mailing date of a first Office Action on the merits, or before the mailing date of a first Office Action after the filing of an RCE.
3. The Commissioner is hereby authorized to charge any fees under 37 C.F.R. §§ 1.16, 1.17 and 1.18 which may be required during the entire pendency of the application, or credit any overpayment, to Deposit Account No. 03-1740. This authorization also hereby includes a request for any extensions of time of the
